

Saad Tariq

Product Manager | Product Owner

+974 70893972 msaadtariq93@gmail.com linkedin.com/in/iamsaadtariq Doha, Qatar

PROFILE

Product leader building marketplace, SaaS and AI products across global and GCC markets. I own the roadmap and backlog, lead design and engineering teams, and turn business goals into products people use. Engineering background, Master's in Software Project Management.

EXPERIENCE

Product Manager
Feb 2025 – Present

QatarLiving.com, Doha, Qatar

- Own the roadmap and backlog for Qatar's leading marketplace, serving 1M+ monthly users.
- Led the full web and mobile relaunch, including simpler onboarding with social logins.
- Launched the Deals vertical, a Rewards program and new ad products as new revenue lines.
- Introduced advanced analytics with heatmaps, funnels and churn tracking.
- Improved AI powered search and added loan qualification for sale listings with partner banks.

Product Manager
Oct 2021 – Feb 2025

Folio3, San Mateo, California, USA

- Led cross functional agile teams for global clients including the Bill & Melinda Gates Foundation, Cargill and Elanco, owning roadmaps and client relationships.
- Ran discovery for and launched three B2B lab products for Vytelle, connecting IoT and on site agriculture devices for livestock health and feed tracking.
- Relaunched WoofTrax, a 1M+ download B2C app, and launched Cattlytics B2C from scratch.

Product Manager
Jan 2018 – Oct 2021

DiscoveriTech, Karachi, Pakistan

- Led a program spanning cross functional teams in development, design, marketing and sales.
- Delivered B2B platforms for global clients in e-commerce, crypto, CRM and digital marketing.
